

## RG/HELMET/SPECIFIC COLOUR

### HELMET (AVAILABLE IN 4 COLOURS)

**A comfortable, stylish helmet designed to protect the user from falling objects.**

Compliant with EN 397, our new RIDGEGEAR helmet has been designed in partnership with LAS helmets to create a modern, ventilated and comfortable helmet you will want to wear all day.

Accredited to: EN 397:2012 + A1:2012

External Shell: High density ABS

Ventilation: 8 holes protected by steel nets that guarantee optimal ventilation even in a static position.

Weight: 340g

Size: 54-61cm

Available in colours: White, red, yellow, black

Size Adjuster: Easy Turn 3D size adjuster complete with micrometric wheel for the regulation in three dimensions of the size.

Accessories: Connection Points for the addition of universal earmuffs; transparent, smoked or mirrored visor and complete with clips for lamps

Inner pad: Tailored fit made of soft technical fabric COOLMAX®, and Sanitized®. Extremely breathable, it maintains comfort for the long term. Completely removable and washable by hand or in the washing machine at 30°C with neutral soap.

Strap: Anti-skid strap made of black nylon complete with divider for optimal adjustment of the fit.
