

RGK18

18MM STEEL TRIPLE ACTION KARABINER WITH CAPTIVE EYE

Similar to the RGK15, this strong and extra safe karabiner benefits from a forged profile with captive eye and larger gate opening.

It can be fitted to most lanyard types where additional safety is preferred. The captive eye ensures permanent attachment to the lanyard. The gate is extra strong as required by ANSI standards.

Accredited to: EN 362:2004
ANSI Z359.12

Material: Steel
